## VINTAGE 2013

### PRODUCER

Agri-Roncão Vinícola LDA  
Agri-Roncão is a family-owned company founded in 2001 by Domingos Ribeiro. With over 60 hectares of planted area and two wine cellars / winemaking centers in the Demarcated Douro and Vinho Verde regions, Agri-Roncão is dedicated to the production and trade of Douro Wines, Vinho Verde and Port Wines.

### REGION

Douro / Sub-Region Cima Corgo

**TERROIR** In the heart of the Douro Region, Quinta da Levandeira do Roncão is located in the old village of Vilarinho de Cotas, Alijó municipality, on the right bank of the Douro River, between the heights of 500 and 600 m of altitude. With a very rough relief, hillside with different slopes varying between 5% and 45%; an acid soil of schist origin, with a high degree of stoniness, which makes it in a shallow soil and very poor in organic matter, similar to the typical soil of the Douro region. The vineyard is exposed to South, therefore the vines are exposed to the sun all day which is reflected in the quality of its ripeness. The most important geological feature responsible for the microclimate of the Douro region is the mountain chain that protects it from the influence of the Atlantic Ocean, offering a continental climate characterized by hot and dry summers and cold and rainy winters. The annual average temperature is 16 °C and the average annual rainfall is 900 mm.

**TASTING NOTES** This Vintage presents a deep reddish colour, a huge complexity and structure, intense aromas of wild berries. The palate is dense and full-bodied, revealing an intense, persistent and long finish. It presents an enormous potential for aging. The bottle should be stored lying at a mild temperature, protected from light.
