Roncão Tawny Very Very Old 1885

PRODUCER Agri-Roncão Vinícola, LDA

Agri-Roncão is a family-owned company founded in 2001 by Domingos Ribeiro. With over 60 hectares of planted area and two wine cellars/winemaking centers in the Demarcated Douro and Vinho Verde regions, Agri-Roncão is dedicated to the production and trade of Douro Wines, Vinho Verde and Port Wines.

REGION Douro/ Sub-region Corgo

TERROIR Quinta da Levandeira do Roncão is located on the right bank of the River Douro, in Vilarinho de Cotas, municipality of Alijó. It has a very hilly terrain, with slopes varying between 5% and 45%, an acid soil of schist origin, with a high degree of stoniness. It is located at an altitude of 500/600m, with a southern exposure. The vines receive sun throughout the day, which is reflected in the quality of their ripening. It benefits from a microclimate where an extensive mountain range protects the region from the influence of the Atlantic Ocean, offering a continental climate characterized by hot, dry summers and cold, rainy winters.

VINIFICATION Made with red traditional grape varieties from the Douro, carefully selected and harvested manually. During the alcoholic fermentation the must was fortified with the addition of a strong wine brandy. Once the fermentation was completed it was kept and aged for several decades in old wooden barrels. Very old and rare Port wine, resulting from a careful blending of very old Ports, resulting in an average age of more than 100 years. The oldest lot used in this blend is from 1885.

TASTING NOTES With a dark greenish golden colour, it presents notes of roasting, honey, tobacco, walnut, caramel and orange. It is an endless sequence of aromas, a smooth and luscious wine, very complex with a finish that never ends.

Vintage Blend (average aging +100 years)

Grape Varieties Touriga Nacional, Touriga Franca, Tinta Roriz, Tinta Barroca

Winemaker Luís Rodrigues

Alcohol Content 20%

Total Acidity 9.34 g/dm³
