PRODUCER Agri-Roncão Vinícola, LDA

Agri-Roncão is a family-owned company founded in 2001 by Domingos Ribeiro. With over 60 hectares of planted area and two wine cellars/winemaking centers in the Demarcated Douro and Vinho Verde regions, Agri-Roncão is dedicated to the production and trade of Douro Wines, Vinho Verde and Port Wines.

REGION Vinhos Verde Wines/ Sub-region Sousa

TERROIR Quinta de Linhares is located in Penafiel, sub-region of Sousa, in the demarcated Vinhos Verdes Region. The vineyard is exposed to South-Southwest, between the elevations of 250/300m of altitude. The climate is moderate to dry with low temperature variations. Winters are not very harsh and summers are mild and dry. Although it is not directly exposed to Atlantic influence, it is felt due to the low relief. The type of soil is Sandy-Loam, rich in nutrients such as Phosphorus and Potassium and poor in Calcium and Magnesium, producing low PH wines. The granitic origin composition, gives minerality to the wines.

VINIFICATION Manual harvest in 25kg boxes. After a careful selection of the grapes, they were destemmed and crushed in a pneumatic press, without pre-fermentative maceration. Fermentation took place in stainless steel vats at a controlled temperature between 14 and 15°C - for approximately 20 days. Stage in stainless steel vats for 3 months, during which the wine was in contact with the lees.

TASTING NOTES Wine with a delicate aroma, light notes of tropical fruits. In the mouth it has fruity notes such as lychee and passion fruit, as well as subtle notes of green tea and salinity. Quite fresh and with good acidity.

Vintage 2024
