

QUINTA DE LINHARES

ALVARINHO 2023

PRODUCER Agri-Roncão Vinícola LDA

Agri-Roncão is a family-owned company founded in 2001 by Domingos Ribeiro. With over 60 hectares of planted area and two wine cellars / winemaking centers in the Demarcated Douro and Vinho Verde regions, Agri-Roncão is dedicated to the production and trade of Douro Wines, Vinho Verde and Port Wines.

REGION Vinho Verde Wines / Sub-Region Sousa

TERROIR Quinta de Linhares is located at the municipality of Penafiel in the Vinho Verde Demarcated Region, Sousa sub-region. With 17 ha of planted area, our wines are produced with grapes, carefully selected and exclusively from Quinta de Linhares Vineyard. The Vine is exposed to South-Southwest, between elevations of 250 to 300 m altitude. The climate is moderate to dry with low thermal amplitudes. Winters are not very severe and summers are mild and dry. It is a transition sub-region, although it is not directly exposed to Atlantic influence, this influence is felt due to the low accentuated relief. The soil type is sandy, rich in nutrients like Phosphorus and Potassium and poor in Calcium and Magnesium, producing wines of low pH and therefore more acids (3 / 3,2ph). The composition of granite origin confers a great minerality to the wines.

TASTING NOTES This wine reflects all the elegance and character of the Alvarinho variety. It presents a bright and citric color. In the nose it is intense and fresh, with floral and fruity notes. In the mouth it is fresh, elegant and persistent, with a lively acidity and fruity notes reminiscent of fruit such as nashi pear.
