PRODUCER Agri-Roncão Vinícola, LDA

Agri-Roncão is a family-owned company founded in 2001 by Domingos Ribeiro. With over 60 hectares of planted area and two wine cellars/winemaking centers in the Demarcated Douro and Vinho Verde regions, Agri-Roncão is dedicated to the production and trade of Douro Wines, Vinho Verde and Port Wines.

REGION Douro/ Sub-region Corgo

TERROIR Quinta da Levandeira do Roncão is located on the right bank of the River Douro, in Vilarinho de Cotas, municipality of Alijó. It has a very hilly terrain, with slopes varying between 5% and 45%, an acid soil of schist origin, with a high degree of stoniness. It is located at an altitude of 500/600m, with a southern exposure. The vines receive sun throughout the day, which is reflected in the quality of their ripening. It benefits from a microclimate where an extensive mountain range protects the region from the influence of the Atlantic Ocean, offering a continental climate characterized by hot, dry summers and cold, rainy winters.

VINIFICATION Manual harvest in 25kg boxes. 100% destemming followed by crushing. Fermentation took place in stainless steel vats at a controlled temperature between 20 and 22°C - for approximately 12 days. Partial aging of 3 months in French oak barrels.

TASTING NOTES Aging in French and American oak wood for 3 months. Ruby colour, concentrated aroma, delicate revealing ripe fresh fruit (cherry and plum), some toast and chocolate, touch of violets, rockrose and spices. In the mouth it is very elegant with fine and soft tannin, expressive fruit and a long and very greedy finish.
