DR Douro Grande Reserva Tinto 2019

PRODUCER Agri-Roncão Vinícola, LDA

Agri-Roncão is a family-owned company founded in 2001 by Domingos Ribeiro. With over 60 hectares of planted area and two wine cellars/winemaking centers in the Demarcated Douro and Vinho Verde regions, Agri-Roncão is dedicated to the production and trade of Douro Wines, Vinho Verde and Port Wines.

REGION Douro/ Sub-region Corgo

TERROIR Quinta da Levandeira do Roncão is located on the right bank of the River Douro, in Vilarinho de Cotas, municipality of Alijó. It has a very hilly terrain, with slopes varying between 5% and 45%, an acid soil of schist origin, with a high degree of stoniness. It is located at an altitude of 500/600m, with a southern exposure. The vines receive sun throughout the day, which is reflected in the quality of their ripening. It benefits from a microclimate where an extensive mountain range protects the region from the influence of the Atlantic Ocean, offering a continental climate characterized by hot, dry summers and cold, rainy winters.

VINIFICATION Manual harvest in 25kg boxes. 100% destemming followed by crushing. Fermentation took place in stainless steel vats at a controlled temperature between 20 and 22°C - for approximately 12 days. Partial aging of 12 months in French and American oak barrels.

TASTING NOTES Dark ruby-colored wine. Intense, complex and vanilla-scented aroma, with notes of very ripe red fruits, chocolate, and spices. On the palate, it is dense, with lively acidity and marked by high-quality tannins. The red fruit aromas, along with the spices, stand out on the palate. It has a very long and well-balanced finish.
